INFRASTRUCTURE & ENERGY

2023 Electricity Regulation Guide – South Africa

22 March 2023 *1 min read*

The 2023 edition of the Lexology GTDT Electricity Regulation quick reference guide is out!

Director, Jonathan Behr and Kiera Bracher, Candidate Attorney, have contributed this year's South African chapter, which provides a comprehensive source of legal insights and analysis of the complete **South African** legal framework relating to the **#electricity** sector and power markets.
