China-Africa Joint Arbitration Centre Presentation

16 April 2025 1 min read

Werksmans Attorneys, in association with the Arbitration Foundation of South Africa (AFSA), Africa ADR and the Association of Arbitrators, invites you to a presentation on the establishment of the China-Africa Joint Arbitration Centre (CAJAC) – an exciting development that will be of interest to all businesses engaged in transactions or disputes between African and Chinese entities, and especially to legal advisers and in-house counsel.

The presentation will explain the background, status and anticipated timing of this initiative, and will discuss how the China-Africa Joint Arbitration Centre is likely to streamline and expedite the resolution of commercial disputes between Chinese and African entities, while establishing South Africa as a venue for China-Africa commercial dispute resolution.

Topics to be discussed: the establishment of the China-Africa Joint Arbitration Centre and the implications for business and the legal profession.

Join us for this informative presentation which will fully elaborate on this ground-breaking development in China-Africa commercial dispute resolution.

The main speaker is [Michael Kuper](#) SC, the chairman of AFSA
