LEGAL UPDATE

Countdown to POPIA Webinar

25 July 2021 *1 min read*

The 1st of July 2021 is the day for all public and private bodies to ensure compliance with POPIA. Compliance with POPIA has become a necessity to all businesses in South Africa as non-compliance can result in not only reputational risk, but also significant penalties, including imprisonment and massive fines. Director and Head of our Data Protection and Privacy practice, Ahmore Burger-Smidt discusses what is needed to ensure compliance for your organisation and that it is implemented in the correct manner.
