

Exclusive CPD Accredited Seminar: The Current Status of Litigation Dealing with the National Insurance Scheme

7 April 2026 2 min read

Join Werksmans Attorneys for an exclusive CPD accredited seminar on the current status of litigation dealing with the National Insurance Scheme. Following [Neil Kirby's recent discussion on CapeTalk](#) regarding the practicalities of NHI implementation, our legal specialists will unpack the substantive legal challenges to the legislation and the public participation challenges currently before the Constitutional Court. Additionally, our guest speaker, Charlton Murove from the Board of Healthcare Funders (BHF), will share his valued insight on what health funders can do now to advance Universal Health Coverage.
