With the constantly changing employment laws and regulations, it can be challenging for businesses to keep up. This seminar will provide you with important updates on recent changes in legislation that could affect your organisation. We will also provide you with insights into best practices for navigating these changes and how to ensure compliance.

Our panel of experts will share their knowledge and practical insights to help you stay up-to-date with the latest legal requirements and best practices in employment law.

Format: Hybrid event

- In-person in Johannesburg and Virtual
