Financial Services Regulation Seminar

16 April 2025 1 min read

Join Werksmans at our upcoming seminar arranged by the Financial Services Regulation practice group where we will be discussing:

- What to expect in 2017 in the ever changing regulatory landscape of the financial services industry.
- Credit Insurance: What is reasonable?
- ISO standards and IT security in a POPI world.
- An introduction to and explanation of Blockchain, including how shareholders may use Blockchain to vote.
