Investment Funds Seminar

16 April 2025 1 min read

Werksmans Attorneys is pleased to invite you to join our annual investment funds law seminar where we will be delving into the recently announced Conduct of Financial Institutions Bill ("COFI"). COFI represents a sea change in National Treasury's approach to regulating financial services in South Africa.

This informative seminar will cover what is in the Bill, what is not in the Bill, the process by which the Bill may become law and the implications for financial services providers, investment funds and clients of financial services providers.

SPEAKERS:

[Shayne Krige](#), Director

[Hilah Laskov](#), Senior Associate
