Labour & Employment Seminar: Cape Town

16 April 2025 1 min read

Werksmans Labour & Employment Practice invite you to attend our annual employment law seminar where we will be considering implications of recent developments in employment law.

Topics to be covered are:

- Equal pay for equal work, how the Employment Equity Act has been interpreted in the 4 years since the introduction of these amendments.
- Recent amendments to the Labour Relations Act (LRA) and Basic Conditions of Employment Act (BCEA) and the likely implications for employers and employees.
- The Assign judgement, what does it mean for the Temporary Employment Service (TES) industry and its client.

Join us for this informative seminar and ensure you are in a position to anticipate and plan for these changes to the LRA.
